Coach Highlight: Coach Jessian

Coach Jessian maintains consistent communication with her team. Her practices are well-structured, and the energy, feedback, and effort have all been exceptional. Fantastic work, Jessian—keep it going!

Player Highlight: Mia 12-Adidas

Mia has been doing a great job on her transition from the middle to the outside- she played a huge role for us last tournament, where she injured herself but has continued to show up to every practice to support her teammates and help with other roles from off the court with such a great attitude. Keep up the great work Mia!
