Coach Highlight: Coach Ian

Coach Ian has been doing an outstanding job with two teams! While balancing a college volleyball career and his studies, he has shown incredible dedication to his athletes, helping them thrive. Excellent work, Coach!

Player Highlight: Aiyanna 14-Adidas

Aiyanna is an absolute joy to coach! She is incredibly coachable, has the heart of a dog, and approaches every practice and game with relentless motivation. She is a libero with big aspirations to play D1 volleyball, and I truly believe she has everything it takes to make her dreams a reality. Having coached and trained Aiyanna for three years, I've seen her grow and improve every single year - her dedication, work ethic, and love for the game continue to impress me
