COACHES SPOTLIGHT LAILAH OKOYE

Favorite Beach?
Newport Beach!

Favorite Moment in Practice?
In the beginning a lot of our girls weren't able to make serves over the net but as time went on they got stronger and just seeing their face light up after making their first serve over is just the best!

How would you best describe your coaching style?
I like to make sure my girls are just having fun. For me when I used to play, I found that when I'm having fun and not stressed, I play so much better. For my girls I just want them to find their love for the sport, have fun and implement good habits!

PLAYER SPOTLIGHT ANABELL

Anabell is such a bright light to our team. She has improved so much from our first practice to where we are at now in our season. In the beginning of the year, serving was not a strong skill for her. She is now someone I can depend on to serve consistently in games. She's always working hard and is a great teammate. Her energy is contagious and she's a joy to be around. Each practice she comes eager and ready to learn more about the sport of volleyball. My hope as her coach is that Anabell continues to grow in her confidence and skills to be the best volleyball player she can be. Keep up the good work Anabell!
