COACHES SPOTLIGHT COACH HAILEY

Favorite Beach: Newport Beach!
My family and I love to walk down PCH and eat at Gina's Pizza!

Favorite practice moment: My assistant and I were scrimmaging our 12-Swift team, so 2 on 6. I set my assistant on the outside and one of my players went up to block her and got her first ever block!

How would you describe your coaching style?
I believe I have a more compassionate kind of style of coaching because I want my girls to know that I support them through their development as athletes but I am definitely also tough on them when I need to be! My biggest goal is to relate a positive and educational environment or my athletes!

PLAYER SPOTLIGHT VERONICA

Veronica is part of our 15-Swift team, as a setter. She consistently demonstrates a strong work ethic, coupled with boundless energy and dedication. I never need to remind her to put in the effort; she naturally rises to the occasion. Both coaches and teammates admire her commitment. With her impressive serve and relentless pursuit of every ball, regardless of distance, she truly shines. Keep up the fantastic work, Veronica!
