PLAYER SPOTLIGHT

“The Dynamic Duo” Super Setters of 14- Adidas!

“Fiona Phalen and Jocelyn Nading are no strangers to the court. They come together as setters and captains but much more than that, they come together as a dynamic duo. They lead the court with their athletic presence and IQ and maintain a high level of competition, that is respected by their teammates. Fiona is a third year Pipeline player and Joscelyn returned home to Pipeline and together they are leading the 14 Adidas to greatness”. - Coach Joe

COACHES SPOTLIGHT

If you had a full day to do whatever you wanted what would you do?

Ashley: I would definitely go to a morning Pilates class then go out get some smoothies and a bagel and my favorite cafe. Then I'd go shopping with my sister and mom and watch a movie with the rest of my family and go to chilis after. Then I'd end the night going to play volleyball with some friends”.

Favorite Coaching Experience?

Ashley: “being able to watch my players grow as individuals and become the player/ athlete they always wanted to be”

Favorite Food?

Ashley: “Pasta”
